

DJ PUFFS MUSICAL PAW PRINTS

Marshmallow Puff is throwing a dance party and everyone is invited!
Print out as many paw as you have people at your party.
The last dancer with a paw print wins.

1. Cut them out and arrange on your dance floor
2. Start the music! Dance as hard as you can until the music stops, **then hurry to the paw print closest to you.**
3. If you don't have a paw print when the music stops, **you are out!**
4. Last person standing on a paw wins!
